

Fire and Rain by James Taylor

Verse:

Just yesterday morning they let me know you were gone.

Susanne, the plans they made put an end to you.

I walked out this morning and I wrote down this song.

I just can't remember who to send it to.

Chorus:

I've seen fire and I've seen rain. I seen sunny days that I thought would never end.

I saw lonely times when I could not find a friend

But I always thought that I'd see you again

Verse:

Wont you look down upon me Jesus you got to help me make a stand

You just got to see me through another day

My body's aching and my time is at hand.

An' I wont make it any other way.

Chorus

Ive seen fire and I've seen rain. I seen sunny days that I thought would never end.

I saw lonely times when I could not find a friend

But I always thought that I'd see you again

Verse:

Been walking my mind to an easy time my back turned towards the sun
 Lord knows when the cold wind blows it'll turn you head around
 Well there's hours of time on the telephone line to talk about things to come
 Sweet dreams and flying machines in pieces on the ground

Chorus
