

“Hey Jude” by the Beatles

VERSE

Hey Jude, don't make it bad. Take a sad song and make it better.

Remember to let her into your heart, then you can start to make it better

VERSE

Hey Jude, don't be afraid. You were made to go out and get her.
The minute you let her under your skin, then you begin to make it better.

REFRAIN

And any time you feel the pain, hey Jude, refrain

Don't carry the world upon your shoulder

For don't you know that it's just a fool who plays it cool

By making his world a little colder ... Na na na na na, na na na na

VERSE

Hey Jude don't let me down. You have found her, now go and get her
The minute you let her into your heart, Then you can start to make it better.

REFRAIN

So let it out and let it in, Hey Jude, begin. You're looking for someone to get closer.

But don't you know that it's just you, Hey Jude, you'll do, the movement you need

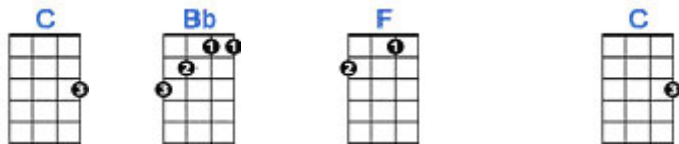

Is on your shoulder ... Na na na na na, na na na na

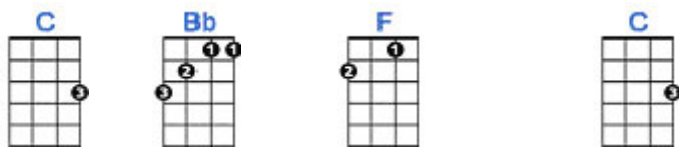

VERSE

Hey Jude, don't make it bad. Take a sad song and make it better
Remember to let her into your heart

Then you can start to make it better..better..better..better Yeah!

Na, na, na na-na-na-na, na-na-na-na, Hey Jude

Na, na, na na-na-na-na, na-na-na-na, Hey Jude
