

# Starting All Over Again by Mitchell Leroy Phillip

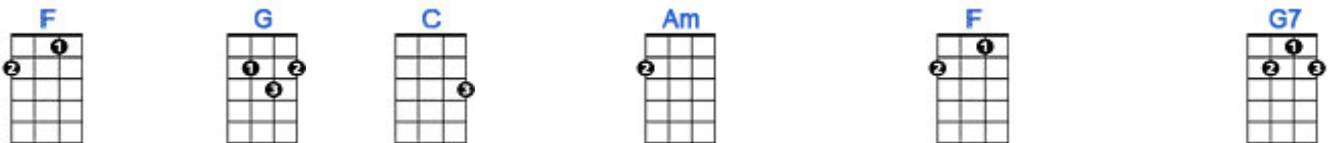

Starting all over again is going to be rough, for us, we're going to make it.

Starting all over as friends is going to be tough, on us, we gotta face it.

We lost what we had. That would hurt us so bad. Set us back a thousand years.

But we going to make it up, though I know it's going to be tough to erase the hurt and the fear.

Starting all over again is going to be hard, but I pray to the Lord to help us make it.  
Starting all over again is going too slow, but we both know, we gonna make it.

We gotta take life as it comes, never fuss about it, what's right or wrong.  
It's an uphill climb, to the finish line. We gonna try, we gonna try, just one more time.

We gotta take life as it comes, don't make any fuss about it, what's right or wrong.  
We gonna make it up, though I know it's gonna be tough to erase the hurt and the fears.

Starting all over again is going to be rough, for us, we're going to make it.  
Starting all over as friends is going to be tough, on us, we gotta face it.
