

Time After Time by Cyndi Lauper

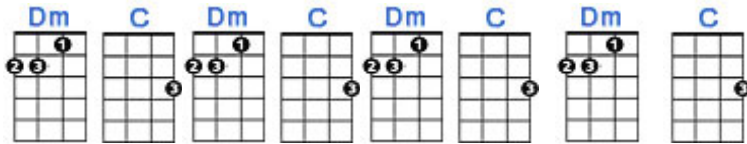

Intro:

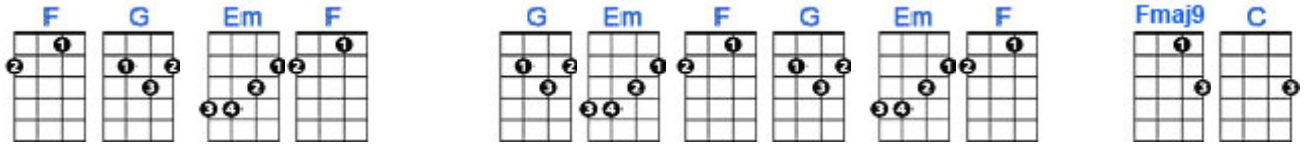

Verse:

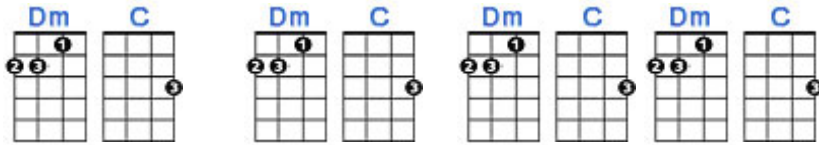

Lying in my bed I hear the clock tick and think of you.

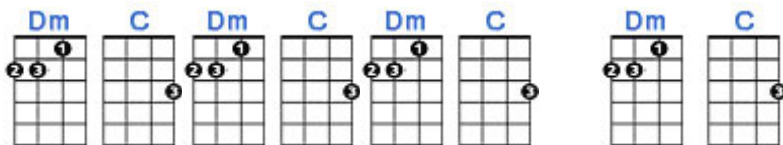

Caught up in circles confusion is nothing new.

Flash-backs, warm nights. Almost left behind. Suit-case of memories, time after time.

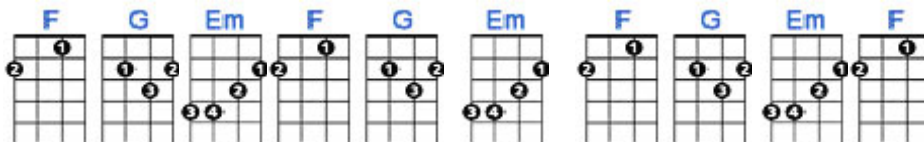

Some-times you picture me, I'm walk-ing too far ahead.

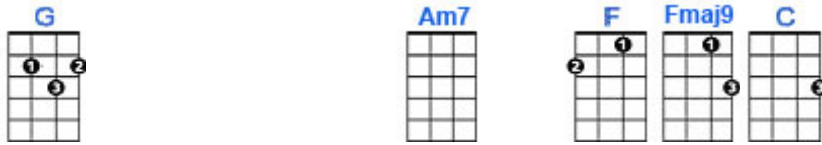

You're calling to me I can't hear what you've said.

Bridge:

Then you say go slow, I fall behind. The second hand unwinds.

Chorus:

If you're lost you can look and you will find me. Time after time.

If you fall I will catch you I'll be waiting. Time after time.

Repeat Chorus:

G Am7 F Fmaj9 C
 If you're lost you can look and you will find me. Time after time.

G Am7 F Fmaj9 C
 If you fall I will catch you I'll be waiting. Time after time.

Verse:

Dm C Dm C Dm C Dm C
 Af-ter my picture fades and darkness has turned to grey.
 Dm C Dm C Dm C Dm C
 Watching through win-dows, you're wondering if I'm o-k.

 Secrets sto-len from deep inside. The drum beats out of time.
