

On a Slow Boat to China by Frank Loesser

I'd love to get you, on a slow boat to Chi - na, all to my - self a - lone.

Get you to keep you in my arms ev - er - more,

Leave all your lov - ers, weeping on the far - a - way shore.

Out on the bri - ny, with the moon big and shiny, mel - ting your heart of stone.

I'd love to get you, on a slow boat to Chi - na, all to my - self a - lone.
